

43-100" 70kg Tilt and Swivel TV Bracket O4MM-TB12

The O4MM-TB12 is designed to give modern, larger TV's the option of tilt and swivel, and can accommodate up to 70kg/154lbs in weight. In addition, it's able to tilt up and down from -2° to +15° and swivel up to 90° in either horizontal direction to find you best position while watching TV. No more glare and no more eye strain—it will always be the centre of attention in any household.

Features and Benefits

- » Swivel mount wall bracket 43-100 inch with full wall mounting back plate
- » Heavy-duty 70 kg load rating supporting larger screens
- » Max 800mm off the wall allowing larger screens the ability to use all the available swivel.
- » Allows a VESA pattern up to 800 x 600
- » Built-in level adjustment: ensures perfect positioning
- » Post-install lateral shift: makes it easy to centre TV on the wall, even with off-centre studs
